BeRex Part Number	SoC Vendor	SoC Part Number	Application
8TR8223	Qianmi Electronics	LK2400C	• Typical IoT applications • Smart sensors • Remote Control • Electronic tags • P2P audio • Smart warehousing and logistics • Smart agriculture • Smart building • Smart city
	MVSilicon	BP1540Ax	• Audio speaker • Party Boxes and Soundbar Products • Sports headset, gaming headset • 2.4G wireless audio transmission applications • All kinds of audio and voice application products
8TR9110	NEWRACOM	NRC7394	• Agriculture • Building automation • Industrial automation • Drones and robotics • Smart cities • Smart home • Smart grid • Security and access control • Healthcare • Wearable
8TR6115	Silicon Labs	EFR32FG25	• Smart Electric Metering • Street Lighting • Distribution automation • Industrial applications • Municipal infrastructure

Specifications and information are subject to change without notice.

BeRex Part Number	SoC Vendor	SoC Part Number	Application
8TR9111	Morse Micro	MM6104 /MM6108	• Surveillance cameras and sensors • Cloud connectivity • Building automation systems (BAS) • Machine performance monitors and sensors • Building access control & security • Drone video and navigation communications • Rural internet access • Utility smart meter and intelligent grid • Industrial automation controls • Smart home automation • Wi-Fi HaLow access points and bridges • Wi-Fi HaLow client adapters/dongles • Smart city network
8TR8219	MVSilicon	BP1540Ax	• Audio speaker • Party Boxes and Soundbar Products • Sports headset, gaming headset • 2.4G wireless audio transmission applications • All kinds of audio and voice application products
	Infineon	CYW30739	• Smart Home, • Smart Building • Smart Lighting
	Infineon	CYW20829	• Wireless input devices • Remotes • Keyboards • Joysticks • Automotive • Asset tracking • IoT applications

Specifications and information are subject to change without notice.

BeRex Part Number	SoC Vendor	SoC Part Number	Application
8TR8211	Infineon	CYW20829	• Wireless input devices • Remotes • Keyboards • Joysticks • Mesh Networks • Automotive • Asset tracking • IoT applications
	Infineon	CYW920721	• Consumer electronics • Adapters and chargers • Mobile device and smartphone solutions • Refrigerators and freezers
	InPlay Technologies	IN310	• Asset Management (Active RFID tags) • Wireless Sensors (Home automation, building/factory monitoring) • Healthcare Solutions (Patient ID tags, wireless body sensors) • Retail Marketing (iBeacon, Eddystone, smart labels)
	InPlay Technologies	IN312	• Low-latency wireless audio • Wireless microphone system • Industrial IoT • Indoor location system • Wearables, toys • Asset tracking management
	Nordic Semiconductor	nRF52832	• Smart Home • Sensor Networks • Building automation • Medical • Remote control • Beacons • PC peripherals • Toys • Wearables

Specifications and information are subject to change without notice.

BeRex Part Number	SoC Vendor	SoC Part Number	Application
8TR8218	Qianmi Electronics	LK2400B	• Typical IoT applications • Smart sensors • Remote Control • Electronic tags • P2P audio • Smart warehousing and logistics • Smart agriculture • Smart building • Smart city
	InPlay Technologies	IN618e	• Gaming accessories • Low latency wireless audio • Industrial robotics • Smart classroom
8TR8211C	Infineon	CYW20829	• Wireless input devices • Remotes • Keyboards • Joysticks • Mesh Networks • Automotive • Asset tracking • IoT applications
	Infineon	CYW920721	• Consumer electronics • Adapters and chargers • Mobile device and smartphone solutions • Refrigerators and freezers
8TR8213	Infineon	CYW920721	• Consumer electronics • Adapters and chargers • Mobile device and smartphone solutions • Refrigerators and freezers
8TR1211	Infineon	CYW20829	• Wireless input devices • Remotes • Keyboards • Joysticks • Mesh Networks • Automotive • Asset tracking • IoT applications

BeRex Part Number	SoC Vendor	SoC Part Number	Application
8TR8210	Nordic Semiconductor	nRF52840	• Advanced computer peripherals and I/O devices • Mouse • Keyboard • Multi-touch trackpad • Advanced wearable devices • Health/fitness sensors and monitoring devices • Wireless payment enabled devices • Internet of things (IoT) • Smart home sensors and controllers • Industrial IoT sensors and controllers • Interactive entertainment devices • Remote controls • Gaming controllers
8TR1111	onsemi	AX-SFUS	• Sigfox networks uplink and downlink.
8TR1218	Renesas	DA14531	• Medical applications • Disposables • Beacons • Proximity tags and trackers • Wireless sensor nodes • Fitness trackers • Consumer health • Smartwatches • Human interface devices (HID) • Stylus pens • Keyboards • Mouse devices • Trackpads • Toys • Industrial appliances

Specifications and information are subject to change without notice.
